THE RULES...

Basic Backyard Kickball Rules Apply

- A game will consist of 6 innings OR a 45 minute game, whichever occurs first.
- (Explanation of scorekeeping)
- 5 ball rolls per kicker - a missed attempt or foul ball will be a strike. 3 strikes are an out.
- Any foul ball caught in the air by an opposing team is an out.
- **MERCY RULE:** The game is over if a team is up by 10 runs after 3 innings OR up 15 runs after 5 innings.
- No bunting allowed - the ball must be kicked at least 10 feet (to the pitcher).
- If a runner is not touching the base and is hit by a thrown ball below the shoulders, the runner will be out.
- Any thrown ball hitting a runner in the head will result in a dead ball and the runner awarded a base. If a runner is between bases when dead ball occurs, runner is awarded the base they were approaching and an additional base for the penalty.
- Leading off and stealing bases is not allowed - A kicker who leads off a base before the ball is kicked will be out and the ball is dead.
- Any All Star wearing a bandana **is unable to get out** but their runs DO NOT count towards the total score.

This only applies to players wearing a bandana.

- All players must kick through according to a consistent rotation. No one will be skipped. It is suggested to space apart your All Star players in your line up.
- If a play needs to be resolved it will be decided by the umpire.
